

Dear Sponsor,

My name is Coach Mackenzie Sanchez, and I am proud to represent NOVA Elite Fastpitch, a competitive travel softball program based in Northern Virginia. Our organization is dedicated to developing hardworking, disciplined, and confident young female athletes both on and off the field.

At NOVA Elite, our mission is rooted in the belief that financial barriers should never limit a player's opportunity to compete at a high level. We are committed to providing a competitive and supportive environment where athletes can grow their skills, build character, and pursue their passion for the game without the burden of financial strain.

As a travel program, our athletes participate in tournaments, advanced training, and team development opportunities that require significant resources. Sponsorship support directly helps cover tournament entry fees, uniforms and gear, travel expenses, and professional training, allowing our players to focus fully on their dedication, teamwork, and love for the game.

In return for your support, NOVA Elite proudly promotes our sponsors through multiple channels, including:

- Recognition on our team Facebook page
- Placement on team recruitment and promotional flyers
- Inclusion on our official tournament banners
- Logo placement on team practice gear

Your partnership not only supports athletic development but also invests in the confidence, resilience, and future success of these young athletes.
